

Monday - 21 March 1949

✓ 1. Spoke with Mr. Borden, Executive Director of Joint Committee on Atomic Energy, who assured me that the Director's appearance this afternoon would be in executive session, with no stenographer present.

2. Letter to Chairman, Loyalty Review Board (dated 18 March 1949) reporting action on case #7, was delivered by hand.

3. WLP spoke with Rep. Dondero re his request for texts of Soviet broadcasts beamed to American Slavs. See letter confirming phone conversation.

4. Received call from Mr. Arens, Senate Judiciary Committee, stating that Sen. Langer had asked for a copy of proposed CIA legislation and was studying same. He recommended that we see Sen. Langer before he had made up his mind pro or con on the bill.

5. Mr. Pforzheimer discussed at length the provisions of H.R. 2663 with Sen. Langer, who is studying the entire matter. The Senator was extremely receptive, and while he

refused to commit himself pending further study, he stated that it was his present thought that there was nothing objectionable in the bill as presented. He was in receipt of certain editorials and letters in opposition to the bill, which in his opinion were inaccurate and unfair, and he refused to be swayed by them.

6. The Director appeared before the Joint Atomic Energy Committee to report on foreign atomic energy activities.
